My dear Mr. Hoe:

The New Jersey College Dramatic Society is again taking up the matter of issuing. They plan to use medallions with a facsimile of the head of Pierrepont

Sometime ago I obtained

a plastic cast of a head of Bion from the Numismatic Society. This I am returning.

Last year you gave Miss Hemley of this college, a wax impression of a head of Bion. The coin was about the size of a fifty-cent piece and the head was that of a beardless youth with a fillet of leaves about his head and his hair in a kind of curls. On the whole more beautiful than the head I am returning.

If you can place the coin to which I refer, may I ask you to make a plastic cast

of the head, which I may send to the Medallic Society. They are submitting estimates to us.

I presume that it would be utterly impossible for you to get the cast to me by noon Saturday, but could you have it ready by Saturday morning, the eighteenth, when I shall be in New York and can call for it and settle any charges?

I thank you in advance for
your attention and kindness.

Yours very truly,
Sigrid Reuterdahl.

Dear Miss Reuterdahl:-

In response to your letter I am sending herewith a cast of a coin which I believe is the one to which you refer. I trust it may reach you by the time you have specified. If I am incorrect in my identification of the piece, if you will come here on Saturday morning I can very quickly have another cast made for you.

Very truly yours,

Secretary.
